

Future Bedford

Sat 9 July - Sun 4 Sept 2022

Children's Art Exhibition

at The Higgins Bedford

The Harpur Trust is proud to present an exciting exhibition of artwork produced by local children and young people aged 4-16 years for our biennial Art Competition. We asked the young artists to envision "What would be your perfect **Future Bedford?**"

The Harpur Trust has been in Bedford for over 450 years and the town has seen lots of changes. Thinking ahead to the next 20, 50, 100, 200 or even 450 years, we asked pupils from local schools to select any year and envision what they thought the future might hold for Bedford. Four local artists led workshops with the children to explore different techniques, before these young artists unleashed their creativity and imaginations!

A selection of the entries are on display in this delightful exhibition at **The Higgins, Castle Lane, Bedford, MK40 3XD.**

FREE entry, Open: Tues-Sat, 11.00-17.00 | Sun, 14.00-17.00
